Steven Garman

Full-Stack Developer

With a strong foundation in both front and back development and the ability to adapt to new environments quickly, I am confident in my ability to contribute to the success of a dynamic and forward-thinking company. I am always eager to take on new challenges and contribute my skills and creativity, whether working on a complex project or stepping outside my comfort zone to learn something new.

EDUCATION

ITC Israel Tech Challenge, Tel Aviv – *Full–Stack Development*

Jan 2022 - May-2022

Competencies – MERN Stack, JavaScript, ReactJS, NextJS, NodeJS;

A training program designed to qualify Full-Stack web developers. The program is a full-time, hands-on accelerator, which practices research and autonomous learning while emulating a real-life work environment.

Leeds Beckett University, Leeds – *Marketing & Advertising Management*

Jul 2010 - Jul 2013

EXPERIENCE

Disclosed.com, Tel Aviv – Lead Front End Developer

May 2022 - Jan 2023

Led market research efforts and developed wireframes for the creation of a new startup.

Acted as a reference for the designer, providing guidance and direction as needed.

Managed the designer and another front-end developer, ensuring that all deliverables met the highest quality standards.

Collaborated closely with the back-end developer to ensure a seamless and integrated product.

Gained valuable skills and knowledge including furthering knowledge of NextJS and Django.

Kimpton Hotel, Cayman Islands — *Server*

Oct 2016 - Jan 2020

Part of the pre-opening team that achieved AAA 5 diamond recognition and received training to Forbes 5* standards, contributing to the hotel's success and reputation.

SuperFüds, Bogota— *Intern(startup)*

Apr2017 - Oct 2017

Conducted a comprehensive rebrand strategy that resulted in a 75% increase in customer brand loyalty and a 15% increase in social media followers within a 6-month period.

Successfully managed the company's online presence with major retail vendor MercadoLibre, developing a targeted branding strategy that resonated with target demographics interested in healthy, sustainable lifestyles.
